## CHRISTMAS IN JULY WEEKEND 20<sup>th</sup> JULY

A great time was had by 20 Joondalup members at the Christmas in July Weekend at the Settlers House, York.

Fun entertainment, good food and comfy beds to sleep in. Looking forward to next year or may plan something different!

## AND THAT'S WHEN THE FIGHT STARTED...

My wife and I were watching Who Wants To Be A Millionaire while we were in bed.  
I turned to her and said, 'Do you want to have Sex?'  
'No,' she answered.  
I then said, 'Is that your final answer?'  
... She didn't even look at me this time, simply saying, 'Yes..'  
So, I said, "Then I'd like to phone a friend."  
And that's when the fight started...

---

I took my wife to a restaurant.  
The waiter, for some reason, took my order first.  
"I'll have the rump steak, rare, please."  
He said, "Aren't you worried about the mad cow?"  
"Nah, she can order for herself."  
And that's when the fight started.....

---

My wife and I were sitting at a table at her high school reunion, and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table.  
I asked her, "Do you know him?"  
"Yes", she sighed,  
"He's my old boyfriend. I understand he took to drinking right after we split up those many years ago, and I hear he hasn't been sober since."  
"My God!" I said, "Who would think a person could go on celebrating that long?"  
And then the fight started...

---

My wife sat down next to me as I was flipping channels.  
She asked, "What's on TV?"  
I said, "Dust."  
And then the fight started...

---

Saturday morning, I got up early, quietly dressed, made my lunch, and slipped quietly into the garage. I hooked the boat up to the van and proceeded to back out into a torrential downpour. The wind was blowing 50 mph, so I pulled back into the garage, turned on the radio, and discovered that the weather would be bad all day.

I went back into the house, quietly undressed, and slipped back into bed. I cuddled up to my wife's back;

now with a different anticipation, and whispered, "The weather out there is terrible."

My loving wife of 5 years replied, "And, can you believe my stupid husband is out fishing in that?"

And that's how the fight started...

---

My wife was hinting about what she wanted for our upcoming anniversary.

She said, "I want something shiny that goes from 0 to 150 in about 3 seconds."

I bought her a bathroom scale.

And then the fight started.....

---

After retiring, I went to the Social Security office to apply for Social Security. The woman behind the counter asked me for my Driver's License to verify my age. I looked in my pockets and realised I had left my wallet at home. I told the woman that I was very sorry, but I would have to go home and come back later.

The woman said, 'Unbutton your shirt'.

So I opened my shirt revealing my curly silver hair.

She said, 'That silver hair on your chest is proof enough for me' and she processed my Social Security application.

When I got home, I excitedly told my wife about my experience at the Social Security office.

She said, 'You should have dropped your pants. You might have gotten disability too.'

And then the fight started...

---

My wife was standing nude, looking in the bedroom mirror.

She was not happy with what she saw and said to me, "I feel horrible; I look old, fat and ugly. I really need you to pay me a compliment."

I replied, "Your eyesight's damn near perfect."

And then the fight started.....

---

I rear-ended a car this morning...the start of a REALLY bad day!

The driver got out of the other car, and he was a DWARF!!

He looked up at me and said 'I am NOT Happy!'

So I said, 'Well, which one ARE you then?'

That's how the fight started.

---

One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift..

The next year, I didn't buy her a gift.

When she asked me why, I replied, "Well, you still haven't used the gift I bought you last year!"

And that's how the fight started.

## SUNDAY RIDE REPORTS

### Sunday Ride 14<sup>th</sup> July – A Ride with a Wet End Again!

A second attempt today to finally get to Sandy Cove Tavern for lunch via Jarrahdale, and this time we actually made it to Jarrahdale. Unfortunately, the rain came again so after our coffees, we went to Fremantle for fish and chips. Actually, we did not get too wet but the challenge is still there. Sandy Cove Tavern, we are coming; some day!

## Sunday Ride 28<sup>th</sup> July – Only Four and a Dog to The Bean to Brook

On a forecast slightly wettish day an attempt was made to perhaps get to Spencers Brook Pub for lunch via Pickering Brook. By the time we got to the Mundaring Dam Road, a fairly heavy drizzle had started and persisted until we stopped at the café.

Nice coffee and toasty for morning tea, and all deciding to head for the comfort of home.

## Sunday Ride 4<sup>th</sup> August – We Finally Get to the Spencers Brook Pub

On a perfect riding day, a good group of Joondalup riders plus Fran and Tede did a meander into the hill and to Chidlow's via Gidgegannup. Nice morning tea at the now popular café and most then carried on to Spencers Brook taking Talbot Road to Beverly and then back to York and ont to the Pub for an enjoyable lunch. So nice I forgot to take any photos.

## THE THURSDAY WALKING GROUP

Lots of fun being had on Thursdays with the Walking group. A big thanks to Anne for getting this started.
